Governor Phil Murphy signed the New Jersey Economic Recovery Act of 2020 (ERA) into law on January 7, 2021. Additional legislation was enacted (P.L. 2021, c. 160) on July 2, 2021, improving the programs established under the ERA.

The ERA creates a package of tax incentive, financing, and grant programs that will build a stronger, fairer New Jersey economy.

ERA is both a broad-based recovery bill and reform bill that will better position New Jersey to recover from economic crisis caused by the COVID-19 pandemic, while remaining true to the NJEDA’s commitments to transparency and accountability.

Visit the NJEDA’s website at www.njeda.com/economicrecoveryact to learn more about each of the programs within the ERA, or to provide general ERA feedback.
Opportunities for Engagement

The NJEDA is committed to transparency, equity, and faithful stewardship of taxpayer dollars, and welcomes constructive input from all New Jerseyans as we work through the process of implementing the programs under ERA.

The NJEDA will be providing multiple opportunities for public input. Today’s session is one way that NJEDA is collecting informal program-specific feedback.

**INFORMAL PROGRAM-SPECIFIC FEEDBACK**

Provide specific feedback on draft program regulations, before they are approved by NJEDA’s Board.

NJEDA will post additional draft ERA program regulations on this website for public input as they are developed.

**FORMAL REGULATORY FEEDBACK**

Provide formal public feedback on the proposed regulations approved by our Board.

All ERA programs will have a formal APA 60-day public comment period once proposed rules are published.

**GENERAL ERA PROGRAM FEEDBACK**

Provide general suggestions on one or more ERA programs prior to NJEDA releasing program-specific information.

You can use this website to provide thoughts on the ERA legislation and how NJEDA should implement the ERA programs.
Pursuant to Governor Murphy’s Executive Order No. 63, the NJEDA is providing opportunities for groups and stakeholders to engage with the NJEDA in crafting rules around the Main Street Recovery Finance Program.

We welcome constructive input on how to ensure new programs created through the Economic Recovery Act are structured and administered in a manner that drives opportunities for all residents and communities.

NJEDA will begin the session with a presentation to summarize the draft rules – opportunity for public feedback will be available following the NJEDA’s presentation. It is expected that 75-90 mins will be reserved strictly for public input.
