Notice of Funding for

Catalyst Seed R&D Grant Program – Round 1

1. INTENT/SUMMARY

This grant opportunity is issued by the New Jersey Commission on Science, Innovation and Technology (CSIT) with support from the New Jersey Economic Development Authority (NJEDA), seeking applications from qualified Applicants for a pilot Catalyst Seed R&D Grant Program (Program) to support early stage innovation-based entrepreneurs in the State.

2. PROGRAM SUMMARY

The Catalyst Seed R&D Grant Program has a total budget of \$1,500,000 for awards. Applicants developing life sciences therapeutics can apply for grants of up to \$150,000, all other Applicants are eligible to apply for grants of up to \$75,000.

The goal of the Catalyst Seed R&D Grant Program is to help New Jersey-based early stage innovation-based companies accelerate development of technologies to transform new discoveries from research stage into commercially viable products and services. The grant funds should enable Applicants to make significant progress and have a meaningful impact on their commercialization outcomes. The Catalyst Seed R&D Grant program is a complement to the Clean Tech Seed R&D Grant Program and is targeted toward Applicants that are developing technologies that are not eligible for the Clean Tech Seed Grant Program.

3. TARGET INDUSTRIES

The Catalyst Seed R&D Grant Program is for companies conducting research and development or testing technologies in the following target areas:

- Advanced Manufacturing
- Advanced Transportation and Logistics
- Film and Digital Media
- Life Sciences – Therapeutic Drug Development
- Life Sciences – Other
- Non-Retail Food and Beverage
- Professional and Financial Services
- Technology

All Applicants for the Catalyst Seed R&D Grant Program should have achieved a demonstration of concept for their project proposed for funding.

4. ELIGIBILITY CRITERIA

Each Applicant to the Catalyst Seed R&D Grant Program must meet the following eligibility criteria at the time of application and must maintain eligibility during the entire review period in order to be eligible for an award:

- Authorized and in good standing to conduct business in New Jersey as evidenced by a current New Jersey tax clearance certificate
- Have a minimum of one (1) full-time equivalent employee with at least one employee working 50% of their time on the project being proposed
- 50% or more of the work of its employees and contractors conducted in NJ (calculated on an FTE basis – 35 hrs. per week)
- 50% or more of employees/contractors live or pay withholding taxes in NJ
- Company has less than two million dollars (\$2,000,000) in prior third-party funding over its lifetime (excluding government grants)
- Company has less than five hundred thousand dollars (\$500,000) in previous calendar year sales revenue

5. PROJECT SIZE, USE OF FUNDS AND DISBURSEMENTS

Eligible Applicants proposing research and development projects in the Life Sciences area of drug development / therapeutics can propose a project of up to one year in duration and with a maximum budget of \$150,000. An extension for up to an additional 3 months may be permitted and will be reviewed on a case-by-case basis.

Other Applicants can propose projects of up to \$75,000. An extension for up to an additional 3 months may be permitted and will be reviewed on a case-by-case basis.

Applicants that are eligible to apply for the Clean Tech Seed Grant program because they are conducting research and development or testing technologies intended to avoid emissions of, or recapture greenhouse gases and/ or criteria pollutants, or to enable such avoidance or recapture are not eligible to apply for the Catalyst Seed R&D Grant.

Please note that CSIT reserves the right to make changes to budget submissions if there are any proposed expenditures outside the scope of the Program.

The Catalyst Seed R&D Grant Program funds are intended for specific, early-stage research and development projects (Projects). All expenses submitted as part of the budget proposal should be specifically related to the Project for which this grant is sought. The following expense categories are ineligible for funding from the Program:

- Travel, entertainment, and other similar expenses
- Allocations of general overhead expenses

- Any expenditures incurred before the “Effective date”, the date representing the last date of execution of the Grant Agreement by the respective Parties
- Any expenses for equipment and materials that Applicant does not use for the Project during the Project period
- Fees related to Conferences not associated with the Project

In addition, no more than 30% of the budget proposed for the Project, in the aggregate, may be spent on:

- Marketing and customer discovery specific to the innovation
- IP patent prosecution and licensing-related expenses
- Conference registration fees

Disbursement of funds

Eighty percent (80%) of the approved Project budget request will be disbursed upon execution of the Grant Agreement following the award, and the remaining twenty percent (20%) will be disbursed after the submission of an approved Project Completion Report to CSIT.

6. REQUIRED DOCUMENTATION

Applications to the Program shall be submitted using CSIT’s online application Portal. The application window will be open for a period of nine (9) weeks. Access to the application Portal can be found on the CSIT’s Program page (<https://www.njeda.com/about/Public-Information/CSIT>)

- i. The application Portal will be open from **Monday, December 6, 2021 at 10a.m. to Monday January 31, 2022 at 5 p.m.,**
- ii. All interested applicants must complete and submit their applications online through the Portal by the deadline in order to be considered for the Program
- iii. The online application will enable applicants to provide an electronic Application Certification by uploading a signed PDF. However, if an **Applicant prefers not to** provide an electronic Application Certification, the Applicant may:
 - a. Mail a hard copy of the signed Application Certification postmarked by the application deadline to CSIT at:
Commission on Science, Innovation and Technology
Attn: Judith Sheft (Executive Director)
36 W State Street
PO Box 990
Trenton, NJ 08625
AND
 - b. Email CSIT with the subject line: “MAILED Application Certification Catalyst Seed Grant Program” indicating that the certification document has been mailed. Only the signed CSIT Application Certification should be mailed; the rest of the application must be submitted through the online system.

Please note that if an Applicant chooses to mail a hard copy of the application certification, the application will only be considered complete once the original signed CSIT application certification post marked by the application deadline is received by CSIT.

CSIT will host an informational webinar on the Catalyst Seed R&D Grant Program and a recording of the Webinar will be posted on the CSIT's webpage. The **Webinar will be hosted during the week of December 6th**

2021. Information on registration for the Webinar can be found on CSIT's webpage.

All submitted applications will be reviewed for document completeness and compliance on a rolling basis. Following the completeness review, applicants with missing documentation will receive an email notification from CSIT to submit or re-submit any missing or incomplete required documentation by 5 p.m. on the 10th business day following the day on which it receives such email notification (Extension Time).

Applicants should submit missing documentation electronically to csit@njeda.com with the email subject line "*Catalyst Seed R&D Grant Program-Missing Documentation Submission-[Company Name]*".

After the Applicant's Extension Time, any application that does not include ALL of the documents specified or contain documents that have not been completed will be considered incomplete and will not be evaluated. **Only complete applications will be evaluated and scored.**

Due to COVID-19, it may take longer than usual for Applicants to obtain certain NJ state documents (NJ Tax Clearance Certificate, and Minority/Woman Owned Business Certification)

- a. If an Applicant has attempted to obtain the missing NJ state documents and has not received them by the extension time, the Applicant may provide correspondence or receipts that demonstrate the attempt to obtain the missing documents to enable the application to be deemed complete for scoring purposes only
- b. The required missing documentation **MUST** be submitted before any recommendation of an award will be made with respect to that Applicant

Evaluation Process

External reviewers from industry and academia shall serve as Subject Matter Experts (SMEs) and provide input in the evaluation of the technical and business merit of the proposals. All SMEs will be pre-screened for potential conflicts of interest, will be required to sign confidentiality agreements, and will serve on an unpaid, volunteer basis. The SMEs will review the Technical proposals of each application and provide qualitative comments to the Evaluation Committee.

The Evaluation Committee, consisting of CSIT and NJEDA staff, will score each application against the basic and bonus point scoring criteria outlined below, taking into consideration the insights from the SMEs. As part of the process, the Evaluation Committee may contact and engage applicants for clarifying comments on their Technical proposal or Budget submissions. Please note these communications will be only for clarification purposes only; Applicants will not be allowed to submit any new information pertaining to their application.

At the end of the review period, the Evaluation Committee will provide to CSIT the results of each scored application with summary notes, which will be forwarded to the CSIT Program Committee.

The Program Committee will review all scored applications and make recommendations to the CSIT Board for grant awards. The CSIT Board will make final decision on grant winners.

Grant winners will be required to execute a Grant Agreement outlining the funding amount, terms, and conditions of the grant. Grant funds will not be disbursed until the execution of such Grant Agreement by the Applicant and the CSIT.

8. SCORING CRITERIA

The Technical Proposal, Budget and Milestone Proposal of all complete applications will be evaluated, and points will be awarded, based on the following criteria:

- Innovation (up to 30 points)
- Market Opportunity (up to 10 points)
- Implementation Plan (Budget and Milestones) (up to 20 points)
- Go-to-Market strategy (up to 10 points)
- Economic Impact (up to 10 points)
- Team (up to 20 points)

All complete applications will be evaluated and scored against the above criteria and assigned a score; however, to be considered for an award, the application must receive an aggregate minimum score of 70 points on the above criteria.

Bonus Points (only awarded to applicants that meet the minimum score)

- Technology from NJ university-as evidenced by an *executed License agreement* (15 points)
- Minority-owned company (10 points)
- Women-owned company (10 points)
- Primary place of Business or R&D space located within an eligible opportunity zones census tract in New Jersey. See <https://nj.gov/governor/njopportunityzones/> (5 points)

At least one award will be reserved for an Applicant that is a women-owned company as certified by the State of NJ and one award will be reserved for an Applicant that is Minority-owned as certified by the state of NJ.

9. OTHER TERMS AND CONDITIONS

As part of the review process, CSIT conducts sister agency checks with the New Jersey Department of Labor (DOL) and Department of Environmental Protection (DEP) on all completed applications. To be recommended for an award, applicants must be in good standing both DOL and DEP.

Grant awardees will agree that its employees and consultants will conduct at least 50% of the company's work (calculated on an FTE basis) in New Jersey for a period of three (3) years from the effective date of the Grant Agreement; failure to comply will trigger a requirement that the applicant make full repayment of the grant award within sixty (60) days following such failure of compliance, or as otherwise stated in the Grant Agreement.

All grant awardees must commit to report economic impact data to CSIT upon the completion of program for a period of five (5) years as will be outlined in the Grant Agreement and by periodically submitting an Economic Impact Questionnaire provided by CSIT.

All grant awardees must commit to participate in future CSIT/NJEDA alumni activities such as serving as a panel member or participating in interviews about Program experience.

10. QUESTIONS AND ANSWERS

- Questions and inquiries concerning this Notice of Funding will be accepted through the application deadline and should be submitted via e-mail to csit@njeda.com. The subject line of the e-mail should state: "CSIT Catalyst Seed R&D Grant Program".
- As noted above, CSIT will host a Webinar during the week of December 6th, 2021 on the Program, and Applicant Companies will also have an opportunity to ask questions at that time. A recording of the Webinar will be available on CSIT's website
- All questions received and answers provided in response to this Notice of Funding will be answered in the form of a Frequently Asked Questions (FAQ) document, which will be posted and continuously updated on CSIT's website

11. CONFIDENTIALITY

Applications received will be reviewed only by staff of CSIT and NJEDA, together with the SMEs. All proposals submitted will be subject to requests for disclosure, including but not limited to, a request pursuant to the Open Public Records Act ("OPRA"), N.J.S.A. 47:1A-1 et seq. If the applicant believes that information contained in its proposal merits confidential treatment pursuant to OPRA, any such purportedly confidential information submitted to CSIT shall be specifically identified and marked by the Applicant.
